TM

Are you living **BIG, BOLD** and **BADASS**?!

Badass Diabetic Llc is the ultimate resource for Type 1 Diabetics (and their loved ones) to learn to live beyond their life circumstances. T1D can be hard, but with our support you will gain confidence and learn to identify yourself as Tough and Uncompromising. (BADASS!) Through education, motivation, and empowerment, your MINDSET will shift. You will create remarkable results because you say so, and nothing is going to stop you! While it's true all T1Ds share a common bond, we offer separate calls for teens, college, adults, athletes and parents of T1Ds.

ABOUT THE OWNER

With over 20 years of Personal Training and Life Coaching experience, Dan Bernard has worked with thousands of clients all over the World. Dan is a husband, father, T1D warrior, educator, motivator, and mentor. With his unique ability to be compassionate while truth telling, Dan is well known for connecting with his clients in such a way that they begin to create results in their life that were previously unattainable.

OUTDOOR EDUCATION

Your company provides an incredible resource for Type 1 diabetics, and everyone that participates **LOVES** it. So, what's the problem? When it ends, the participants have to go back home and are isolated again and are disconnected from the community they love to be immersed in. Our 12 week conference call was created to be added to remarkable programs like yours. Once your event is over, we begin our course to keep the participants connected and engaged. AND provide them with additional resources and skills to build confidence and achieve their goals - knowing T1D can't stop them.

Our Training System:

Identifies your disempowering patterns and associated thoughts and emotions:

Teaches you how to interrupt the thoughts and emotions that trigger self-defeating patterns;

Increases your focus, motivation, intentionality, commitment and drive;

Produces increased results
